Lifestyle, Design, floor plan, views and outdoor

ONE GT Residence 410 is a BRAND-NEW luxury LARGE 1-BED plus DEN Condo with great floor plan offering 717 sq ft of elegantly designed living space located at the most stylish and trendy building in the heart of Grand Cayman with Resort-like luxury amenities. This 4th-floor residence offers full access to a jaw-dropping rooftop and a myriad of other amenities. The furnishings were curated by an interior designer standing out from other cookie-cutter units. Very importantly, residents can stay in during storms, as the building was designed and constructed to the latest building codes, being storm resilient and hurricane resistant with ground floor and basement built well above mean sea level.

Besides the king size bedroom and DEN, it offers a large bathroom, dedicated laundry hub and terrace for uninterrupted views. The Den can have dual use: the current sofa bed area could be converted into a walk in closet. The layout offered by the vertical swinging shutter (in a beautiful salty caramel shade) maximizes both comfort and functionality with up to for 4 people. The infinite outdoor views over tranquil South Sound are brought directly into the bedroom through the floor to ceiling hurricane glass doors! Ocean views and green areas of South Sound: NO views over the cargo port. Mirror backsplash allows you to enjoy the sunset while cooking.
