This well-maintained 1,428 sq ft, 2-bed, 2.5-bath townhouse offers a smart layout, energy-efficient upgrades, and a quiet residential setting in the heart of the Prospect/ Spotts area. Located in the Sawgrass complex, the property includes two private parking spaces and direct access to a shared pool.

Improvements to the unit include two remodeled bathrooms, wood-look tiled stairs, custom closet shelving, and an expanded concrete patio. The kitchen features a reverse osmosis drinking water system and a tankless water heater with filtration- freeing up additional storage under the stairs. The roof is also insulated and has additional storage space in the attic with lighting in place.

The home is also fitted with hurricane-rated windows and concertina shutters.

The complex is well managed and maintains a strong reserve fund with no current special assessments.

The Sawgrass community is quiet, pet-friendly, and familyoriented. Restaurants, schools, and Grand Harbour amenities are nearby, with improved road infrastructure easing traffic flow. Call today for further information and to schedule a viewing.
