Scholar's Retreat #7 is a great place to start in the real estate market. This 2 bedroom 2.5 bathroom 1,170sq ft Townhome keeps a very lengthy investment decision, short & sweet.

The main floor contains an open floor plan with a fully stocked kitchen, dining area, living room, half bathroom, and extra storage under the stairs. Each bedroom upstairs contains a full size closet, and their own en-suite bathroom.

Interior photos will be coming soon after a fresh coat of paint. With incredible low strata fees, and one of the lowest priced 2 bedrooms townhomes in all of Grand Cayman, this is a serious opportunity for first time buyers, young families, or savvy investors.
